

UPPER TWEED COMMUNITY DRIVERS

SUPPORTING HEALTH-RELATED VISITS

Subsidised transport for patients attending healthcare appointments, provided by volunteer drivers.

Using the UTCD Service

Available to any resident of Upper Tweed - Broughton, Tweedsmuir, Skirling or Stobo. The patient using the service will be asked to make a donation, which varies depending on the length of the journey.

Volunteer drivers needed

Becoming a volunteer driver for UTCD is a great way to contribute to the Upper Tweed Community, without commitment.
